FOR YOUR AV TEAM

# Audio Visual *Requests*

Short list, and none of it unusual. If anything here is difficult at your venue, tell us early and we will work around it.

## WHAT THE VENUE PROVIDES

- **LCD projector and screen**
  With sound out. Additional screens where the room needs them.
- **Walk-up music**
  “Happy” by Pharrell Williams. Cued and ready as Chester is introduced.
- **Wireless lavalier microphone**
  Plus a handheld mic.
- **Sound from the laptop**
  Into the house system, or speakers large enough for the room.

## WHAT CHESTER BRINGS

- **A MacBook**
  Chester runs his presentation from his own machine and brings the connectors for it.

## ON STAGE

- **A bottle of water**
- **A small table**
  For Chester’s giveaways.

> **Questions from your AV team**
> If the room or the setup is unusual, a short call with your AV lead beforehand is welcome.
